Family Tree

of

Jacob Bogner and Louise Smith

Roman Bogner

1641011

The following is the family tree of the late Jacob Bogner and his wife Louise Smith and their descendants. All names and dates have been thoroughly researched and are correct to the best of my knowledge.

It is suggested that when one enters into the family by marriage or birth or passes on by death that the name and date be sent to Kenneth R. Bogner (grandson) 1829 Azalea, Drive, Munster, Indiana.

The information received will be incorporated into the family tree and a revised edition will be sent out every five years.
